#### Notes:

- The COSAC calendar is subject to change and additional events will be added as they are published. Please be aware that this is not a complete list of all meets on the Swimming NSW Calendar. The COSAC Calendar lists COSAC Club Meets, Metsea, Swimming NSW and Swimming Australia Meets, and targeted interclub meets.
- Additional meets not listed on the calendar can be found on the Swimming NSW website on the Events page <https://nsw.swimming.org.au/events> and the Metsea website <https://metsea.swimming.org.au/>
- As meets become available to enter they will be linked with COSAC which means that members can easily find the events on their home page of swim central
- All Official Club Races for Winter will be held at Gunyama Park Pool as we can access 6-8 lanes in the indoor pool.
- **Please ensure you speak to your coach prior to entering events**
- **Dive and Race Skill Clinic** – Open to all club members but aimed at JD, Bronze and Silver level. For those that wish to have additional practice on their starts and racing skills. This is a combined Club and City of Sydney Squad Program activity so open to all that swim at the City of Sydney Pools not just club members. More information to come.
- **Please be aware that inter club meets can fill up fast so if you want to attend these meets, please enter as soon as they open.**
- Updates will be emailed out to all members and posted on the club Website, Facebook and Instagram <https://cityofsydney.swimmingclub.org.au/>
